## **Draft Protocol – Councillor/Clerk Relations**

*Adopted by the ..... Parish/Town Council on .....*

### **Aim**

A Council's reputation and integrity is often and significantly influenced by the way in which Councillors, the Clerk (and other staff) work together to support each other's roles. The overall aim is effective and professional working relationships based upon mutual trust, respect and courtesy where close personal familiarity is avoided.

This Protocol is intended to assist both Councillors and the Clerk in their working relationships, particularly in approaching matters that may arise which may be of a sensitive nature.

### **Roles and Responsibilities**

In summary:

Councillors and employees both serve the public and are indispensable to one another. Their responsibilities are different. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Councillors should promote the highest standards of conduct and ethics. They act collectively as employer. Officers are responsible to the Council. Their role is to give advice to Councillors and to the Council and to carry out the work and decisions of the Council under the direction and control of the Council (and its Committees).

### **Councillors**

Councillors' four main areas of responsibility are:

- To determine council policy and provide community leadership
- To monitor and review Council performance in delivering services
- To represent the Council externally
- To act as advocates for their residents

Councillors have the same rights and obligations in their relationship with the Clerk (and any other employees), regardless of their status and should be treated equally.

Councillors should not involve themselves in the day to day running of the Council, as this is the Clerk's responsibility. The Clerk acts on instructions from the Council (or its Committees) within an agreed Job Description. The Council may delegate some of its statutory functions and powers to the Clerk where no statutory prohibition applies (for

example approving the Council's annual accounts). These are set out in Standing Orders/Financial Regulations (or a separate Scheme of Delegation).

### **Mayor/Chairman (Chairmen and Vice Chairmen of Committees)**

The Mayor/Chairman (and Committee Chairs and Vice Chairs) has (have) additional responsibilities meaning that their relationships with the Clerk/Officers may be different and more complex than those of other Councillors. However, they must still respect the impartiality of the Clerk/Officers and must not ask them to undertake anything, which would prejudice their impartiality.

### **Clerk (/other Officers)**

The role of the Clerk/Officers is to provide advice and information to Councillors and to implement the policies and decisions determined by the Council.

In giving advice and in preparing and presenting reports, it is the responsibility of the Clerk/Officers to express their professional views and recommendations. If a Councillor wishes to express a contrary view, the Councillor should not pressurise the Clerk to make a recommendation contrary to the Clerk's professional view. Councillors should not victimise the Clerk/Officers for discharging their responsibilities.

### **Expectations**

All Councillors can expect from the Clerk (and other Officers):

- A commitment to the Council as a whole, and not to any individual Councillor, group of Councillors or a political group
- A professional working relationship
- An understanding and support of respective roles, pressures and workloads
- A timely response to enquiries
- Professional advice not influenced by personal preferences, political views or personality
- Up to date, timely information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities or positions held
- Awareness and sensitivity to the public and political environment locally
- Respect, courtesy, integrity and appropriate confidentiality
- Information on training and development opportunities to help them carry out their role effectively
- Not to have personal issues raised outside the Council's agreed procedures
- Not to use their contact with Councillors to advance their personal interests or to influence decision improperly

The Clerk (and other Officers) can expect from Councillors:

- A working partnership
- An understanding and support of respective roles, pressures and workloads
- Leadership and direction
- Respect, courtesy, integrity and appropriate confidentiality

- Not to be bullied or put under pressure
- Not to have issues raised about them in public
- Not to use their position or relationship with the Clerk/Officers to advance their personal interests or those of others or to influence decisions improperly
- To comply at all times with the Council's adopted Code of Conduct

#### General Principles:

- Equality and Diversity should be positively promoted
- Close personal familiarity should be avoided
- Close personal relationships between Councillors and Officers can confuse their separate roles and get in the way of the proper conduct of Council business, not least by creating a perception in others that a particular Councillor or Officer is getting preferential treatment
- Special relationships with particular individuals or party political groups should be avoided as it can create suspicion that an employee favours that Councillor or political group above others.

#### **Note on Political Groups**

*Parish councillors serve their local community as members of the community. It is the National Association of Local Councils' policy that party politics should have no place in parish councils. NALC provides advice or guidance on matters relating to party groups and operating within a political environment.*

#### **When things go wrong**

##### Procedure for Officers

The relationship between Councillors and the Clerk/other Officers does not always run smoothly. Should such relationship break down or become strained efforts should be made to resolve matters informally if this can be achieved. If not, then the formal grievance procedure should be followed which allows the Clerk/individual employees to raise concerns, problems or complaints about their employment in an open and fair way. Within this procedure, a small group of Councillors has delegated authority to hear the grievance. The Mayor/Chairman should not attempt to deal with grievances on their own.

##### For Councillors

If a Councillor is dissatisfied with the conduct, behaviour or performance of the Clerk, the matter should be raised with the Clerk in the first instance. If the matter cannot be resolved informally, it may be necessary to invoke the Council's disciplinary procedure.

Signed: ..... Mayor/Chairman

Founded in 1972, SLCC has gone from strength to strength and has a membership representing over 5000 local councils in England and Wales. The vision and ethos are to provide training, guidance, advice, and support to members so that they can develop the professional skills, knowledge and experience necessary for them to best serve their councils and communities; and through this develop the overall recognition and status of the profession.

SLCC provides expertise and guidance, professional training and qualifications, conferences, news, and publications as well as networking opportunities.

## **Our Aims**

LCC aims to deliver bespoke solutions within local councils by improving, informing, and investing in the sector through a value for money and unique 'profit for purpose' philosophy. We do this by:

Improving the sector by:

- Providing high quality, professional locums for short-medium-or long- term assignments.
- Identifying needs and delivering solutions within the sector through a network of knowledgeable, qualified associates and locums.

Informing change, growth, and development by:

- Offering bespoke solutions to issues faced by clerks and councils.
- Imparting knowledge and 'know how'.
- Improving processes and procedures.

Investing in education and learning by:

- Passing available profits to the SLCC Educational Trust to enable clerks to access education.

## **Our Philosophy**

Rather than working to improve our bottom line, we reinvest all surpluses to further the development of professional clerks and, through them, the development of the whole sector, ensuring that the services we offer help councils both directly and indirectly. This unique approach sets LCC apart from others and demonstrates our commitment to enabling positive improvements within the local council sector.

Additionally, we believe in offering value for money, quality solutions and this approach is reflected in our pricing strategy. We intentionally keep our costs to you as low as possible whilst delivering a professional service based on our ethos of improving, informing, and investing in the sector.

### **Our Proposal – Job Evaluation of Parish Clerk Role**

LCC will carry out a job evaluation process as follows:

#### **1. Methodology**

1.1 Our Associate will carry out a research and fact-finding exercise using the current job description and information available from the Council's website and/or provided electronically. Quantitative and qualitative data will be collected and collated for the pay evaluation using the joint NALC/SLCC guidance – please see paragraph 2.

Time allocation: 0.5 days

1.2 Interviews will be held by the Associate with the Clerk and 1 or 2 Council Members as required to validate the data collated from paragraph 1.1.

Time allocation: 0.5 days

1.3 Our Associate will review the data from 1.1 and 1.2 and complete a report to include recommendations on pay – please see paragraph 2 for the Job Evaluation Process.

Time allocation: 0.5 days

1.4 The total time allocation for the review will therefore be 1.5 days. Please refer to paragraph 3 “Project Costs” section for the full quote.

#### **2. Job Evaluation Process**

2.1 The evaluation will be in accordance with the National Agreement on Salaries and Conditions of Service of Local Council Clerks in England and Wales 2004. The scheme, jointly developed and adopted by NALC and the SLCC, analyses the posts and not individuals on the basis of their post utilising the following 8 criterion:

- Knowledge
- Mental Skills
- Interpersonal and Communications Skills
- Initiative and Independence
- Responsibility for people (non-employees)
- Responsibility for supervision/direction of employees
- Responsibility for Financial Resources
- Responsibility for Physical Resources

2.2 Within each of the above there are four levels ie LC1 (small parish), LC2 (medium parish), LC3 (large parish/small town) and LC4 (large town). Once the Associate has established which level most closely matches for each criterion then they will determine if it is slightly below the level (below substantive), exactly the same as the level (substantive) or slightly higher than the level (above substantive) but not the lower end of the next level. An aggregate score will then be established to determine in which overall level the post comes of the 12 available grades. Each grade has a number of increments within its pay scale.

### 3. Project Costs

3.1 The time allocation required by the Associate to complete the work will be 1.5 days charged at the rate of £295 per day making a total of £442.50, excluding VAT and expenses. Should additional time be needed due to the requirements changing this would be mutually agreed in writing in advance.

3.2 All work will be carried out remotely to minimise costs to the Council but if travel is required, it will be charged at the rate .45p per mile.

3.3 Should accommodation costs be required these would be agreed by the Associate with the Council in advance.

### 4. Additional Services Available from LCC

4.1 LCC is in a position to offer additional services to support the Council e.g. drafting and writing job descriptions and person specifications; providing support on HR issues such as contractual negotiations and consultation processes with staff; support with recruitment packages. LCC would be pleased to provide a quote for such services on request.

***This quote is valid for 60 days from the date of the covering letter.***

## **Feedback**

To ensure continuous improvement, we request post project feedback via a short survey.

This only requires a few minutes to complete but helps us to gather important information on the services provided by LCC and its team of associates and locum clerks. The survey will be sent via email once the project has been completed.

## **Next Steps**

We hope you find our proposal acceptable. We are confident that we can work with you and would welcome the opportunity to do so.

To proceed with this proposal, please sign the attached Terms and Conditions (Appendix 1) and return a scanned copy to us. As soon as we receive this, we will allocate the work to one of our associates who will be in contact with you to commence the work.

Alternatively, if you would like to discuss our proposal or have any questions, please do not hesitate to contact us as we would be more than happy to answer any queries you have.
